Dear Member,

Your Funds Are Secure Here!

Broadcast news and the papers have reported on financial institutions suffering large losses and creating hardships for their customers. CorePlus Federal Credit Union understands that this may leave you feeling concerned. CorePlus would like to ease any concern you may have and help you to understand how your money is safe and secure here at CorePlus.

As a member owned financial institution; we're "not for profit but for service" and have been an established part of your community for over 72 years. All funds deposited here are insured by the NCUA (National Credit Union Administration; www.ncua.gov) through the National Credit Union Share Insurance Fund (NCUSIF) and therefore are backed by the full faith and credit of the United States Government. The NCUSIF is similar to the FDIC (Federal Deposit Insurance Corporation) coverage on bank accounts.

NCUA insures accounts up to at least \$250,000. IRA and Keogh accounts are insured separately up to \$250,000. CorePlus can help you ensure that your accounts are covered or you may go to <http://www.ncua.gov/ShareInsurance/index.htm> for information directly from NCUA.

Here at CorePlus Federal Credit Union each member is an owner; the Board of Directors are volunteer members elected by you so that you have a say in the future of YOUR credit union. Take advantage of being a member not a customer and be treated like YOU own the place; because YOU do!

The staff at CorePlus Federal Credit Union is always ready to talk with you about any questions or concerns you may have; please call 860-886-0576 or stop in any branch.

Sincerely;

Warren P. Scholl
President/CEO
